

Nathaniel Bell has purchased the two-fifths interest in the Pacific No. 2 mine at Pinos Altos, owned by William Skillicorn, and the papers have been placed on record. This mine joins mining property owned by the late firm of Bell & Stephens and the property has been in litigation for several years. A large sum of money was expended in litigation and the trial of the case in the district court here occupied nearly a whole term. It was one of the most celebrated cases ever brought in New Mexico and able counsel were engaged on both sides. It is believed that this sale will end the litigation and it is certain that the acquisition of this property will make the mining property owned by Nathaniel Bell and the estate of Trouilous Stephens one of the most valuable properties in this part of New Mexico. The consideration for the two-fifths interest was \$8,000.

Rev. W. S. Fitch has been reappointed to Silver City and will resume services at the M. E. church next Sunday at the usual hours, 11 a. m. and 7:30 p. m. Many of the members of the church will be glad to learn that Mr. Fitch is to remain here and it goes without saying that he will endeavor to please all.

Mrs. Dougherty, of Los Angeles, who claims an interest in the Confidence mine at Mogollon, has gone to look at the mine with her attorney, H. L. Pickett. Her visit may result in more litigation and a consequent delay in starting up the mine and mill.

The members of the Eastern star of this place gave an entertainment and banquet at their hall last evening. Quite a number of guests were invited and a very pleasant evening was spent.

It is probable that another dividend will be declared before long in favor of the depositors in the broken banks of Deming and Silver City.

G. D. Bantz is now the attorney for the receiver of the First National banks of Deming and Silver City, H. B. Ferguson having resigned.

The business houses here closed yesterday afternoon during the funeral services as a mark of respect for Miss Flora Feasel.
